SUPREME TUITION CLASSES
1064-A, MEHRAULI , WARD-7
NEW DELHI-11030

ABOUT

Welcome to **SUPREME TUITION CLASSES**

- We emerged ourselves as an independent coaching in 2020 and continued the services online even during the Corona period because education is our priority.
- In 2020, we started with 20 students and together we prepared for the 2021 board and our result was 100%.
- Our new journey started in 2021, that too with new faces and our goal was fixed in this journey, this journey was very difficult because this time the children were very backward in studies, but due to efforts, this time also 100%

GOALS

- First of all, we are very curious about our future. We promise that more than 80 percent marks will be obtained in all subjects.
- This year i.e. in the session of 2022-23, we have a total of 35 students and according to the internal assessment, our result will be 100% this time also.
- We are both online and offline and offline we are only in Mehrauli with four branches but in future we will be all over Delhi.

WHY WOULD YOU CHOOSE US?

1. We will try you will have 80 percent marks in all subjects.
2. The environment here will be conducive for education because studies bring a lot of change in the mental state but we assure that there will be such an environment that education will also be fun.
3. Maximum we are preparing a group of 30 students whose future will be as bright as the future of India and we will keep 4 hours daily class for this effort
4. The next question that comes to mind is money, our project is for the board, so the annual fee for class X will be Rs 59,999 and for class XII (Science) it will be Rs 89,999.
5. If we talk about teachers, then we are trying to connect the best teachers of Delhi

with you because the art of teaching along with studies is needed.

FEE STRUCTURE

○ As it is written above that the fee of class X and class XII is Rs.59,999 and Rs.89,999 respectively, if you cannot pay it in one go, then you can deposit it in 4 times in an interval of 90 days.

○ If you look at our price then it will be very heavy but here we are doing this for 4 hours and for all subjects in this fee which makes it very economical as compared to a common coaching.

SUBJECTS

10th

- For 10th we have Maths (Standard/Basic), Science (Physics/Chemistry/Biology), Sociology (History/Geography/Political/Economics) and Language in Hindi and English.

12th

- Chemistry, Mathematics, Physics, Biology, Computer Science and English are the subjects for the 12th Science stream.

ONLINE CLASSES

- i) Today's life is moving towards technology, similarly those who cannot reach here but want to be a part of it,

there are online classes for them in platforms like Zoom and Google Meet.

- ii) There is a special thing in the online process that there is a discount of 20 percent in fees and live doubt solutions.
- iii) Recordings will be available if the class is missed for any reason

OFFLINE CLASSES

- A. Online facilities are also noteworthy, apart from them there is also facility of offline test.
- B. Apart from online PPT, written material will be received here
- C. The offline process can be quite exciting as there is a provision for a lot of lab practice as well.

SYLLABUS

O Really the syllabus is very long but according to our time management we will finish it by the end of December and do revision with our test series

O If we feel anywhere that the syllabus is not being completed in time, then we will increase our scheduled time.
